

JDBANK.COM | 800-789-5159

To our **Customers,**

JD Bank proudly celebrates its **70<sup>th</sup> year** in 2017. Few community banks navigate 70 years and remain **locally owned**. I thank our customers for their **faith** and **collaboration**, as JD Bank continues to grow and offer new services across Southwest Louisiana and Acadiana.

We are proud of our heritage, but we didn't get to 70 years by looking back. We deliver **premier banking services** with local decision-making and concern for individuals, families and businesses of all sizes. Our dedication to **personalized service** and **commitment to innovation** are two pillars that our customers know they can depend on to ensure their needs are always met. We also believe it is our responsibility to develop **strong, lasting roots** in each community.

As we reflect on these 70 years, our greatest triumphs have always been our **customers' successes**. Your story is our story. Whether it is working with **individuals, families, businesses, or organizations**, we are connected to your goals, and JD Bank is an institution where people have come together. The purchase of a **new home**, the financing for a **growing business**, working with **farmers** and even opening a **youngster's first savings account** are responsibilities we take very seriously.

Together, we've taken on challenges **big** and **small**. There's an incredible connection between our customers and employees, because we're all neighbors. You continually provide JD Bank with inspiration, and we always aim to deliver you **great service** and a **great experience**. That's part of the legacy of JD Bank, along with reinvesting in the communities we serve.

For 70 years, JD Bank has built a sterling reputation on **honesty, integrity** and treating people **fairly**. Being so deeply involved in each of our towns and neighborhoods has JD Bank invested in your prosperity. We will celebrate this milestone throughout the year, and at 70 we are just getting started. **Thank you for being part of JD Bank.**
